Before Beyond Light DLC was released, the game was stuttering at The Tower, only one location in the entire game. It started to stutter around March 2020 and there are many reports of this on the internet. Whatever they did to The Tower back in March 2020, it was carried over in Beyond Light.

Beyond Light Stutter : DestinyTechSupport
Now revised and updated, The McGuire Programme official manual, Beyond Stuttering, documents the internationally recognised method that not only improves speech, but offers the enjoyment, not the dread, of speaking. Uniquely, The McGuire Programme combines physical techniques (breathing and relaxation) with mental strategies for dealing with the fear of stammering, as well as how to develop an assertive attitude to the problem.

To Help You Go Beyond Stuttering. The McGuire Programme in Australia & New Zealand goes beyond overcoming your stutter, we transform adults and teens who stutter into articulate, well spoken people. We don't just concentrate on the speech, but the person as a whole. We are the only organisation in Australia and New Zealand that specialises in providing a unique holistic approach to overcoming stuttering as well as providing lifetime support for people who stutter and their families.
