1984 takes on new life in this edition. “Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power.”—The New Yorker In 1984, London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith is a man in grave danger for the simple reason that his memory still functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be. Lionel Trilling said of Orwell’s masterpiece, “1984 is a profound, terrifying, and

wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present.” Though the year 1984 now exists in the past, Orwell’s novel remains an urgent call for the individual willing to speak truth to power.

During the final editing of this book the Vienna Balkan Conference took place. As an opening two soccer teams (EU and non-EU) had a friendly game on Viennese lawn! At the same time several hundred refugees drowned in the Medi-terranean Sea, 71 refugees were found suffocated in an outside-locked truck parked in a highway breakdown bay 30 miles east of Vienna, hundreds of men were tortured in Syria and Libya, some

decapitated and many women raped. The Austria Foreign Minister presented a 5 points plan to control the enormous refugee migration to Europe and requests an European solution to end the demonization of the refugees - but this will certainly take long time! The countries with the highest admission (Germany, Sweden, Austria, ...) and the Mediterranean countries like Italy and Greece are required to organize the registration fast and correctly. Transit countries like Macedonia, Serbia, Hungary (certainly not awarded for its treatment of refugees) and others must receive help from the EU, in order to allow refugees a human and secure transit to their target country. If the EU will undergo the same effort for refugees like for a country in financial problems there is hope for the millions of

innocent people fleeing their beloved homes for peace and better life. Qumars "trip" from Rukkan (Pakistan) on the "Balkan route" was not a usual one, but a flee in constant danger of live - even by the authorities in the transit countries. Therefore the trip report became a confrontation with the current refugee situation in Europe and especially in Austria - today and in a historical view. "This report evaluates patterns of arrest and detention conditions in the West Bank and Gaza Strip, 25 years after the Oslo Accords granted Palestinians a degree of self-rule over these areas and more than a decade after Hamas seized effective control over the Gaza Strip. Human Rights Watch detailed more than two dozen cases of people detained for no clear reason beyond writing a critical article or Facebook post or belonging to the wrong student group or political movement."--Publisher website.

Life, liberty, and the pursuit of happiness are prescribed ideals in America of 2050. The Moral Authority, the nation's newest branch of government, has virtually eliminated crime, poverty, and most social ills, but it also rules the land with a tyrannical fist, championing ignorance and brandishing fear. Mark Bryan is a gay man whose existence brands him an outlaw; Isaac Montoya is a charming stranger, who entices Mark to defy moral law; and Samuel Pleasant runs the Moral Authority and plans to punish moral offenders and a rebellious uprising-no matter the cost.
