“The text in toto presents a sweeping view of orchestras from about the second quarter of the nineteenth century to the end of the century; it is a more complex and diverse view than one might gather from standard music histories. . . . [It] describes in compelling detail how the orchestral movement got started and managed to become, in the opinion of some, ‘the cornerstone of America’s musical culture in the twentieth century.’

[American Orchestras in the Nineteenth Century, Spitzer](#)

This book brings together musicologists and historians to investigate the many orchestras and programs that developed in nineteenth-century America. In addition to reflecting on the music that orchestras played and the socioeconomic aspects of building and maintaining orchestras, it considers a wide range of topics, including

audiences, entrepreneurs, concert arrangements, tours, and musicians' unions.

American Orchestras in the Nineteenth Century - Chicago ...

Far from being a book about the origins of the American symphony orchestras which we know today, this collection of essays is a wonderfully comprehensive survey of orchestras of all kinds. As the blurb tells us, 'American orchestras in the nineteenth century were more diverse and more thoroughly integrated into public culture than the orchestras of today'. Orchestras could be heard in ...

AMERICAN ORCHESTRAS IN THE NINETEENTH CENTURY — Edited by ...

This book brings together musicologists and historians to investigate the many orchestras and programs that developed in nineteenth-century America. In addition to reflecting on the music that orchestras played and the socioeconomic aspects of building and maintaining orchestras, the book considers a wide range of topics, including audiences, entrepreneurs, concert arrangements, tours, and musicians' unions.

American Orchestras in the Nineteenth Century eBook by ...

Studies of concert life in nineteenth-century America have generally been limited to large orchestras and the programs we are familiar with today. But as this book reveals, audiences of that era enjoyed far more diverse musical experiences than this focus would suggest. To hear an orchestra, people were more likely to head to a beer garden, restaurant, or summer resort than to a concert hall.

American Orchestras in the Nineteenth Century [John Spitzer]. Studies of concert life in nineteenth-century America have generally been limited to large orchestras and the programs we are familiar with today. But as this book reveals, audiences of th

American Orchestras in the Nineteenth Century ...

This chapter explains the major historiographical perspectives of prior research on the nineteenth-century American orchestra. The study of American orchestras is both a pursuit more than a century old and a new, wide-open field. The first generation of histories of American orchestras was absorbed in the social gospels of America's late nineteenth-century educated class.

Introduction: Toward a History of American Orchestras in ...

Orchestras, in the second half of the nineteenth century, were an essential ingredient of American urban life. Before the advent of amplification or recorded sound, an orchestra (or a band) was needed to fill a large indoor space with sound, to provide continuity for a performance, to drown out other urban noises, and to add visual and aural glamour to a public event.
