In the small farm town of Arbor Falls, NJ, a young girl named Anelisse must convince her love-struck mother that her new husband is not the man he appears to be. Once his violent true colors are revealed, Anelisse desperately attempts to convince her mother to leave him, but to no avail. After realizing she no longer has the support of her mother, Anelisse must do what she can to protect herself, as well as her siblings, in order to make it out of the house alive. Anelisse is the chilling true story of a young New Jersey girl who struggles to survive emotional, physical, and verbal abuse at the hands of her alcoholic stepfather. Based on author Adriana Bellini's real-life battle with child abuse, Anelisse provides a chilling, detailed look inside the dysfunctional world many abused children come from. **WARNING:** Contains graphic violence and strong language.

In this shocking memoir, Cassie Moore gives a very open description of how she suffered and survived a lifetime of abuse: The sexual, physical and emotional abuse she suffered at the hands of her parents, who sold her into marriage at the age of 16; the 23 years of domestic violence she endured and what she did to save herself and start a new life

For ten years, Katherine Brady led a double life. Growing up in a small Midwestern town, she was the ideal teenager--beauty queen, honor student, and with a boyfriend from one of the town's most elite families. But at home lived another Katherine, her father's own 'little girl', unwillingly involved

in a secret sexual relationship that left her shamed, isolated, fearful, and emotionally burdened for years. This book recounts her struggle through humiliation, helplessness, and anger to become a whole, mature human being.

Although long-winded and only covering a period of fifteen traumatic years, this biography is a true account of hidden child abuse. It is not for the faint-hearted. Kat Ward relates, with utter candour, her experiences at the hands of the mother who hated her even before she was born, her step-father, who regarded her as something to be used on a whim and her step-father's friends -- to whom he 'sold' her. Even with so-called 'professionals' involved and despite the fact that Keri told the truth to her teacher, priest, social workers and child psychiatrist, nothing got better. In fact, things got worse and worse.

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years. On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes.

In the bestselling tradition of "Smashed" and "Glass Castle," this raw, eye-opening memoir tells the powerful story of Elizabeth Garrison's fractured childhood, descent into teenage drug addiction, and struggle to overcome nearly insurmountable odds. Elizabeth invites the reader behind the closed doors of a picture-perfect Christian family to reveal a dark, hidden world of child abuse, domestic violence, and chilling family secrets all performed in the name of God under the tyrannical rule of her father. Like countless teenage girls, Elizabeth turns to drugs and alcohol to escape. With smack-you-in-the-face honesty, Elizabeth chronicles the dark realities and real-life horrors of teenage drug abuse, living on the streets, foster homes, and treatment centers. She paints an unsparing portrait of scratching and clawing her way out of the grips of child abuse, addiction, and betrayal to find the strength within herself to save her own life.

Rumors, witchcraft, and murder in this true crime account of one of New Jersey's most notorious cold cases—from two Weird N.J. magazine contributors. As Springfield residents decorated for Halloween in September 1972, the crime rate in the affluent New Jersey township was at its lowest in years. That mood was shattered when the body of sixteen-year-old Jeannette DePalma was discovered in the woods, allegedly surrounded by strange objects. Some feared witchcraft was to blame, while others believed a serial killer was on the loose. Rumors of a police coverup ran rampant, and the case went unsolved—along with the murders of several other young women. Including extensive interviews with DePalma's friends and family, new evidence, and theories about who could have committed this horrible crime, *Death on the Devil's Teeth* provides the definitive account of this shocking cold case more that remains a mystery more than four decades later.

My Firefly A horrifying account of torture and humiliation at the hands of her family, My Firefly will pull you into its pages and grab hold of your spirit. Seen from the perspective of the family home, this young girl struggles to stay alive as she is slowly ripped apart emotionally, physically and sexually by her father. You'll experience an abundance of feelings throughout this book and won't be able to put it down. My Firefly is a flicker of light in complete darkness, leading to safety. Tracy Oad, Public Relations Maggie Kirton resides in Northern Ontario with her husband and her beloved dog, Dottie. She is the founder of Wynterblue Publications Canada Inc - a not-for-profit publishing venue founded to assist authors in various ways. Kirton hopes that this book will help other fireflies heal and that they too will find that 'just surviving' isn't always enough: "Living is what's supposed to happen after you survive. It's life in 'post-survival' that defines the human character's ability to move forward from trauma."
