Among the Classic Mayas, the howler monkey god was a major deity of the arts—including music—and a patron of the artisans, especially of the scribes and sculptors. As such, his sphere of influence overlapped with that of the Tonsured Maize God. The monkey patrons—there are often two of them—have been depicted on Classic vases in the act of writing books (while stereotypically holding an ...

Ancient Mayan art is about the material arts of the Mayan civilization, an eastern and south-eastern Mesoamerican culture shared by a great number of kingdoms in present-day southern Mexico, Guatemala, Belize and western Honduras. Many regional artistic traditions existed side by side, usually coinciding with the changing boundaries of Maya polities. This civilization took shape in the course of the later Preclassic Period, when the first cities and monumental architecture started to develop and
