Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

An excellent addition to intermediate or advanced-level Spanish language or literature courses, *En la Ocho y la Doce* is a collection of microfictions and longer stories that present diverse perspectives on the experience of Cuban emigration to the United States. Unlike many intermediate-level readers, which anthologize standard works, this volume presents outstanding, authentic literature and themes that are highly relevant to heritage speakers in this country.
