Workplace, business, academia and pop culture, organized to resemble a chronological history of the working environment provided to office workers. The tone of the book is collegial and a tad wry, as the topic expects, and the prose is substantial but not at all difficult.

Cubed: A Secret History of the Workplace by Nikil Saval

"Nikil Saval's new book, *Cubed: A Secret History of the Workplace*, is a fascinating guide to the intellectual history of the American office. Part cultural history, part architectural analysis and part management theory—with some labor economics, gender studies and pop culture thrown in for good measure—the book is a smart look at the evolution of the place where we spend so much of our lives."
