Tricks and advice from eBay experts to help the reader win more eBay auctions and make more money selling on eBay.

The Open Book has seemed to be more of a myth than a real book. For decades it has been out of print and trying to find an original is difficult. So difficult that when I did find one in the basement of my favorite used books store I snatched it up not believing what I had found. But how could I just stash it on my bookshelf along with all the other great out-of-print books where no one else could enjoy it? So I put my publishing skills to work and decided to make The Open Book available to all those who want the inside scoop on the tricks that gamblers, crooks, grafters and con men have used over the years and still use today. Oh, don't think that just because this book was published long ago that what's inside is not useful. In fact, if one were so inclined to be dishonest they would find lots of ways to part a fool from his money just like they did "in the day." "Fore Warned is Fore Armed." That is the motto of this book. Learn all about the little and big tricks of the trade that Officer Johnson learned from years on the beat. He had seen it all and wrote down for you the tricks these gamblers, crooks, grafters and con men used to "befuddle the mind of the gullible public." Reading what's inside is like going through your attic, topics are loosely grouped together but there is so much in these groups that it's hard to believe. I decided to keep it in it's original format out of respect for history buffs and book collectors and because it would take a gigantic effort to bring any kind of modern "order" to this book. Inside you will find secrets on how card men use cross lifting, cold decks, crimping, shading and scratch work are just a few of the techniques used by card cheats that he explains. There is also a remarkable Master Key method on how to read any deck of marked cards. He also goes into great detail on how card sharks mark just about every make of card there is/was. The welcher and the check thief are not forgotten either. Hole card switching, Counting cards, Oh, and don't forget the dice men. Craps, Loaded dice, The Chinese Box Secret, Misspotted dice, Suction dice, Transparent loaded dice, And the list goes on. Oh, and did I mention the eew stand by The Three Shell Game? Read about Soapy Smith in Alaska and his demise. Or read about a Shell Operator and how he makes and handles the walnut shells. Pea Pool is exposed. Dice tops are exposed. The Blow-off, Pitch, Bridge Whist, Pinochle, Solo. And of course Poker tricks. All these tricks and more are fully exposed. Since this is a period piece, there are also stories about "Spirit Fakirs" and tricks of the Master Magicians. Raps on the table, Table lifting, Spirit lights, Fortune tellers, Did I mention Magic? Card tricks, Fire eating, The needle trick. And more. Dead Man's Mail Order Swindle, The Pawn Shop Game. The book finally finishes off with the story of a real life racketeer called Dutch Schultz, New York's Public Enemy No. 1 and how he was murdered including some gruesome photos of the dead body. But I'm just scratching the surface. If you have any interest in any of these subjects you just have to get this book. Just be aware that the language can be very direct and unabashedly "earthy." And if you are easily offended by racial slurs then don't buy it. I thought about taking out a couple of images just because they may offend sensitive folk and maybe delete some more "blunt" talk but in an effort to remain true to the times and the author I left them in so just be aware that while I don't agree with his choice of language or adhere to his same viewpoint I respect this right to express himself as he sees fit. So again, if this is something that would be offensive to you then please buy another book. Thank you.

By the New York Times bestselling author of Hacks for Minecrafters! How many books can pull you away from the same old YouTube videos and get you excited about reading? You'll be surprised at how quickly you can learn hundreds of new tricks and tips! Want to know where you'll find the most diamonds or how to protect your villagers at night? This A-Z reference is a quick guide to all the tips you want to know, including: How to spawn and kill the Wither boss How to rescue a baby zombie villager How to make a portal without a diamond pickaxe How to make a secret passageway using paintings This is the greatest, unparalleled guide especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga and games like Terraria and Pokemon GO, ideal for both the young newcomer and the seasoned player. This exciting book will cover everything players need to know about mining, farming, building, villagers, the Nether, and more! A big book of players' hacks for Minecrafters organized in an easy-to-reference encyclopedia format, this book will show readers the ins and outs of the game, how to survive and thrive, and various mods that can improve play. The book is illustrated with screenshots throughout, making it easy for new and experienced Minecrafters to build, fight, protect, and survive in their creative worlds.

If I were to ask you NOT to think of an elephant, you'd able to do anything but not think of an elephant. I wrote this book based on a fundamental principle: Our brain does exactly the opposite of what we ask it to do. This book is the result of three years of my own personal experience and on-the-field experiments in the areas of marketing, communication and sales. I provide simple and easy-to-follow advice on how the behavioral mechanisms of our subconscious work and how they can be leveraged to your advantage. By the end of the book, you will be able to apply these concepts to achieve excellent results in both your personal and professional life. This is by no means a contorted academic work or purely a marketing and communication handbook. Rather, it is a straightforward how-to manual that will help you open your eyes to the social dynamics happening around you.

Is your wardrobe a mess? Do you want to clean it, but don't know how to go about the process in a sophisticated manner? Being organized is not easy. Decluttering takes practice, but this eBook will showcase what you have to do.

Performers Kyra and Chalcy illustrate each trick. Trick training is a great way to bond with your dog, help your dog integrate into your family, and keep him mentally and physically challenged. Includes: beg, bow, say your prayers, fetch the paper, find the remote, and more; also, step-by-step instructions to guide the trainer; troubleshooting tips to solve problems; and "build-on" ideas that encourage taking a mastered skill to the next level.--Publisher's description.

Buying and selling real estate is complicated and time consuming. Reading a big, thick book about all the in's & out's can be just as tough. Now you don't have to!Straight answers and everything you need to know to quickly and painlessly fly through the transaction are here, without all the fluff.How can I find a good agent? How will I know if my home is priced right? What's involved with a building inspection, and why should I have one? What's a Buyer's Agency Agreement? Do I need one? What about staging a house? What is that exactly? What safeguards do I have if I change my mind and don't want to buy or sell the house after all? The answers to these questions and more are right inside!Is this book for first time buyers? Yes! How about seasoned buyers and sellers who have done this twelve times in the past twelve years? Absolutely! It's for everybody who needs to know what it takes to buy or sell property painlessly and profitably.

Step-by-Step Projects from a Successful and Sassy Interior Designer! Searching for a house or apartment is difficult enough on its own; transforming it into your home is an entirely different story. Home Improvement Tips and Tricks aims to give you the knowhow to decorate while staying within your budget, all presented in an engaging and approachable way. Each project is accompanied by a list of tools and materials needed, along with step-by-step instructions. Salway's wit and playful personality shine through as she shares her tried-and-true advice to describe the journey of renovating and redecorating not only her two-bedroom Williamsburg apartment but also the upstate New York farmhouse bought as a major fixer-upper. Some of Christina's greatest lessons include: Colors you shouldn't paint your apartment, even if you like wearing them Where to look, when to haggle, and how to spot a diamond in the rough How to revitalize your kitchen on a budget Your shower curtain shouldn't reflect your personality, and other helpful bathroom hints How to install a dimmer switch (a.k.a. instant mood lighting) A resource for anyone who is short on time and strapped for cash, Home Improvement Tips and Tricks will help you turn any space into a unique home you love and are proud to show off.

After learning how to curb her spending habits, Lauren Greutman shares her hard-earned knowledge on how to get out of debt and live without the financial pressures that many people face today. Millions of Americans today are near financial disaster—spending more money than they are bringing in, and losing control of their money. Lauren Greutman knows how that feels. For years, she struggled with too many bills to pay and not enough money to pay them. When Lauren found herself drowning in debt, she finally faced her extreme spending habits and took action. In THE RECOVERING SPENDER, Lauren shares her story and offers advice that is based on the many strategies she developed to change her own life and bring her family budget back to black. Lauren shows her readers, step-by-step, how to get rid of bad money habits, pay down debt, and stay within a budget. Some of the action chapters in the book are: Take an Inventory of Your Spending Declutter Your Finances Do an Expense Audit Curb Your Spending and Define Your Values Lauren exchanged the overrated, stressed-out American dream for a new one—a happier life filled with family, friends, and financial freedom—and now you can do the same!
