Nowadays many people are becoming more and more aware to the concept that not all relationships are the same. What works for some people certainly does not suit others. Love and affection need not be confined to labels and strict definitions, because the spectrum of what constitutes a relationship is broader than many people imagine. The foundation of a great relationship is built on a solid platform comprised of love, trust, respect and above all, communication. But there are so many different ways of expressing these things, and no relationship is "one size fits all." For many people, the phrase "traditional relationship" conjures an image of a subordinate woman, with the man ruling the roost. While this is no longer seen as an absolute standard, it still has resonance with lots of people. And while a large majority of people prefer a more egalitarian approach to relationships, that doesn't work for everyone either. Female led relationships are often misunderstood, but are more common than you might think. In this type of relationship, the woman is the dominant partner and her partner is the willing subordinate. We'll be exploring the dynamics of this type of relationship in this guide, and the various aspects and benefits it has to offer. You may find yourself more intrigued than ever before.

Welcome to the second edition of public humiliation assignments for the sissy boi. It is always important to continue your practice, whether you are a full-fledged sissy boi or simply beginning your sissy training. These sissy assignments will also help to push you in the right direction toward your end goal of becoming who you really are. These tasks should be taken extremely seriously and finished to completion in a timely manner. Doing so will help show your devotion and commitment to your sissy transformation. Pushing your boundaries can be tedious and frightening at times, but you must remember that everything you do has a purpose. Take care to keep a progress report and progress photos when necessary. This will help both you and your Mistress/Master realize how far you have come in your sissy training. It will also help be a judge as to where your training should proceed from here. Some of these sissy public humiliation tasks will need to be completed more than once to get their full effect. You should use your judgment and be truthful with yourself in your progress report as to whether you feel you received the full desired effect from each assignment.
