Fire Stations - data.gov.uk

There are two aspects to this question, future growth and fire station siting. Firstly, let's look at future growth. You can use the Census 2010 data in conjunction with the ACS data to attempt to spot

Access PDF Gis For Fire Station Locations And

recent trends in growth. The ACS data must be treated carefully and in many cases is not directly comparable to the Census data - see the Census ACS guidance for details on reliability.
