Ella and her new friends go through Princess School.

"If the Shoe Fits encompasses everything I love about rom-coms. I laughed, I swooned, I smiled. Another hit for Julie Murphy!" -Colleen Hoover, #1 New York Times best-selling author of Hopeless If the shoe doesn't fit, maybe it's time to design your own. Cindy loves shoes. A well-placed bow or a chic stacked heel is her form of self-expression. As a fashion-obsessed plus-size woman, she can never find designer clothes that work on her body, but a special pair of shoes always fits just right. With a shiny new design degree but no job in sight, Cindy moves back in with her stepmother, Erica Tremaine, the executive producer of the world's biggest dating reality show. When a contestant on Before Midnight bows out at the last minute, Cindy is thrust into the spotlight. Showcasing her killer shoe collection on network TV seems like a great way to jump-start her career. And, while she's at it, why not go on a few lavish dates with an eligible suitor? But being the first and only fat contestant on Before Midnight turns her into a viral sensation—and a body-positivity icon—overnight. Even harder to believe? She can actually see herself falling for this Prince Charming. To make it to the end, despite the fans, the haters, and a house full of fellow contestants she's not sure she can trust, Cindy will have to take a leap of faith and hope her heels—and her heart—don't break in the process. Best-selling author Julie Murphy's reimagining of a beloved fairy tale is an enchanting story of self-love and believing in the happy ending each and every one of us deserves.

With her feet bare and her second-hand gown splattered with mud, Ella's first day of Princess School is off to a lousy start. If she can only find her fairy godmother before the first class begins, Ella is sure she'll put things right.

In this fresh, funny new middle grade series, bestselling YA author Sarah Mlynowski writes for a younger audience for the first time! In each book, Abby and her younger brother Jonah visit the magic mirror in their basement at night, and the mirror transports them inside a different fairy tale. In the second magical adventure, Abby and Jonah are thrown into in Cinderella's story. But a broken foot could mean Cinderella doesn't get her happily ever after, after all. Can Abby and Jonah fix things before the stroke of midnight?

With her feet bare and her secondhand gown splattered with mud, Ella's first day of Princess School is off to a lousy start.

The irresistible companion to the #1 New York Times bestseller 'Dumplin'', now a Netflix feature film starring Danielle Macdonald and Jennifer Aniston, and a soundtrack by Dolly Parton! Millie Michalchuk has gone to fat camp every year since she was a little girl. Not this year. This year she has new plans to chase her secret dream of being a newscaster—and to kiss the boy she's crushing on. Callie Reyes is the pretty girl who is next in line for dance team captain and has the popular boyfriend. But when it comes to other girls, she's more frenemy than friend. When circumstances bring the girls together over the course of a semester, they surprise everyone (especially themselves) by realizing that they might have more in common than they ever imagined. A story about unexpected friendship, romance, and Texas-size girl power, this is another winner from Julie Murphy.
