In Her Court by Tamsen Parker is a goofy, geeky read filled with  
Tamsen Parker is not one to stick to the same plot over and over in  
every read, and that's what makes this book so unique compared to  
the others. This time around, Tamsen has explored an F/F relation  
(or two females if you didn't understand the acronym).

In Her Court (Camp Firefly Falls #18) by Tamsen Parker

Growing up in the foster care system was no picnic, but after being adopted into a loving LDS family, playing college basketball, and launching her career in the software industry, Denise Dewalt finally feels as though she's left her former life behind her. What she doesn't realize is that she must confront her past if she ever wants to move on to a brighter future. While her search for her biological family isn't an easy one, Denise s biggest fear is that even when she finds her family, she'll have nothing to give Rich, the only man who can see past the tragedies of her childhood. This emotional and inspirational story proves that life is full of unexpected twists and turns especially when it comes to facing your demons, fighting for love, and finding happiness for the future. The Ball's in Her Court will keep you hooked to the very last page.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

From Divorce Court to the Ice Cream Shop is a light hearted tell-all about one woman's journey through the trials of an unexpectedly difficult divorce and the happy, often sexy, refuge found in New York's internet dating scene. Not a how-to book, or a tale of disaster dates, "The Ice Cream Shop" is a "who-did-who" book. Peppared with blogs and poems from Rinaldi's website, her story will leave readers laughing out loud. That is, when they're not gasping at the unexpected twists of a divorce gone wrong. Spilling "all" in her fast-paced memoir, Rinaldi introduces readers to the men of the internet, such as Vanilla T, Mango Sorbet, Pralines and Cream, and Mocha E. With so many flavors there for the tasting, Rinaldi finds entertainment, adventure, attention, and, you guessed it -- sex -- just when she needed it the most. So come along for the ride, as she dates the successful and quirky, the fascinating and eclectic, and even New York City's Bravest.

Newly minted professor Evangeline "Van" Thompson's academic dreams have turned into nightmares. She can't wait to escape the

## Access Free In Her Court

pressure cooker of the university to spend the summer at Camp Firefly Falls with her bestie, Nate. Unfortunately, Nate breaks his leg halfway through the season, and his little sister Willa fills in for him as resident tennis instructor. Van has fond memories of the blonde moppet, but when Willa shows up at camp, she's not so little anymore. She's grown into a bombshell and a menace on the tennis court—why do those skirts have to be so short, anyway? Willa Carter has had a crush on Van Thompson since the third grade but Van's always been more interested in hanging out with Willa's older brother. Not much seems to have changed—Van's managing the camp's web presence while Willa rocks her tennis whites. Camp will be closing in a few weeks, and Van's barely spoken to Willa despite sharing a cabin. But when the two get thrown together to plan the last session of camp, s'mores might not be the only thing getting sticky and sweet before the season's out...

A riveting chronicle of trailblazing tennis champion and cultural icon Serena Williams' s turbulent 2019 tour season and a revealing portrait of who she is, both on and off the court. Serena Williams is an undisputed global sports celebrity. Ranked #12 on ESPN' s 2018 World Fame 100 list of popular athletes, thirty-seven-year-old Serena Williams is the only female in the top 20, and she' s one of the highest paid athletes in the world. The face of women' s tennis for the past two decades, Serena is now waging battles on multiple fronts—against age, injuries, and opponents almost twenty years her junior, all while juggling her responsibilities as a new mom. Seeing Serena is an in-depth chronicle of Serena Williams' return to tennis after giving birth to her daughter, and an insightful cultural analysis of the most consequential female athlete of her time. Author Gerald Marzorati shadows her through her 2019 season, from Melbourne and the Australian Open, to Roland-Garros and Wimbledon, and on to the US Open as she seeks her 24th Grand Slam singles title. He writes about her tennis and her forays into fashion, investing, and developing her personal brand on social

media. Seeing Serena illuminates Williams' singular status as the greatest women's tennis player of all time and—in a moment when race and gender are the most talked-about topics in America and beyond—a pop icon like no other. Marzorati is on the scene, observing her matches, and talking to her, her coach, her competitors, and former greats who have witnessed her for years. He observes her, listens to her, studies her, explores her roles in society and history—sees Serena fully, in all the ways she has come to matter.
