Dawn belongs to a secret group of teenagers who play a cloak and dagger game on their cell phones.Her world is turned upside down when the players' actions begin to affect reality, and not in good ways...

Interlude-Brandon: The Game is Life (Book 3) | Goodreads

Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

Interlude-Brandon: The Game is Life (Book 3) | Goodreads

Are thousands of orbs, with each containing a reality housing billions of souls, about to burn out and die?Can Trew find his daughter, or will everything he has sacrificed be for nothing?And what impact will a young scientist who believes that his reality exists inside of a computer simulation make on his world?

From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. Now a Netflix movie directed by Mike Flanagan (Oculus, Hush) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... " And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone. " Once again, Jessie Burlingame has been talked into submitting to her husband Gerald ' s kinky sex games—something that she ' s frankly had enough of, and they never held much charm for her to begin with. So much for a " romantic getaway " at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that may conceal an imagined or very real threat right there with her...

The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin ' s Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblasted must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the lower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar ' s blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization. Interlude-Brandon: The Game is Life (Book 3) | Goodreads

What if life as we know it was just a game? What if, instead of traditional schools, children learned by participating in a virtual reality simulation, one that allowed them to experience "life" from birth to death -- multiple times? What if one player, on his final play, could change the world forever...?

The reality of life is that death happens. And if you have had the beautiful opportunity of escaping its crippling impact, there is no doubt that you have been jarred a time or two with unexpected losses. This is not a matter of if, but when, as everything we hold dear has the potential to be taken from us. Whether you have experienced a loss of the life of a loved one, a dream you have held on to for years, the trust you once shared in a relationship, or a change in physical ability after a diagnosis or accident, you have battled the great darkness that comes flooding into your life. This ever-present heaviness brings with it life-altering questions and settles on your shoulders making perfectly normal situations almost unbearable to face. This loss, this breaking, has the ability to blind us from the Truth and change everything we have built our lives on. In her book, The Good in the Awful, Vanessa invites readers to join in on an honest conversation about pain and what it is to look for God in the darkness, using her own story of crippling grief as the guide to discovering if God is still good and at work in our brokenness. Are you up to join in on the challenge? A great expedition through unknown waters and deep pain to find the good that God is working on in the middle of our mess? Because despite our feelings of God being distant and indifferent to our pain, He isn ' t. He is ever present and still in the business of using our broken pieces to build an even greater story. For our benefit and the good of others, wasting nothing. If any truth can be found let it be this, that our Redeemer (your Redeemer) lives!

Alex Wolfson:Legendary titan of business and industry around the globe.Said to possess a net worth greater than the twenty wealthiest countries in the world.It is rumoured that his control over world leaders and governments is absolute.An icon of his age, a name known to all.Yet no one has ever seen his face, or heard his voice.Until now...An incorruptible senator forced to choose between maintaining her morals or living.A computer genius finally recognized for his skill and offered his heart's desire for a price that might be more than he is willing to pay.And a retired special ops soldier enticed to return to a life of danger and bloodshed.Alex Wolfson appears to each and sets them on a path that may lead to the world's salvation, or its destruction.
