"There must be more to the Christian life than this—more than church each Sunday and waving to my neighbors and giving some clothes to Goodwill when I go through my closet each spring." These aren't bad things, of course. But they're safe and comfortable and easy. And there's a reason they're not satisfying your desire for something more significant and meaningful—we're created by God for adventure. International Justice Mission president Gary Haugen has found that engaging in the fight for justice is the most deeply satisfying way of life. This book shows how we too can be a part of God's great expedition.

"If you're tired of living an anemic life and you want to live courageously, get this book. Terrify No More is a suspenseful read that will introduce you to the new heroes of the faith—people who are willing to take risks to bring hope and freedom to those who need it most." — Rick Warren, Author, The Purpose Driven Life Senior Pastor, Saddleback Church "...Producer Richard Greenberg showed me some truly alarming videotape he'd obtained from a human rights group called the International Justice Mission... That tape would trigger one of the most extensive international searches I'd ever been involved with as a Dateline Correspondent." —Chris Hansen, NBC News Correspondent "Now we have a gripping, close-up account of how IJM carries out its mission in Cambodia. Gary Haugen's book should awaken many to what goes on in the 21st century slave trade." — Ambassador John R. Miller, Director, Office to Monitor and Combat Trafficking in Persons Out of shocking depravity emerges a story of hope. In a small village outside Phnom Penh, children as young as five are bought and sold as sex slaves. Day after day their abuse continues, and their hope slips away. In Terrify No More an international team of investigators goes undercover to infiltrate this ring of brothels and gather evidence needed to free these girls. Meanwhile, skilled legal minds race the clock, working at the highest levels of U.S. and foreign governments to bring the perpetrators to justice. Headed up by former U.N. war-crimes investigator, Gary Haugen, the team perseveres against impossible obstacles—police corruption, death threats, and mission-thwarting tip-offs—in a mission focused on bringing freedom to the victims.

Now part of the IVP Signature Collection, this landmark work from Gary Haugen offers stories of courageous Christians who stood up for justice in the face of human trafficking, forced prostitution, racial and religious persecution, and torture. Throughout he provides concrete guidance on how ordinary Christians can rise up to seek justice throughout the world.

Sung, whispered, shouted, and groaned by Muslims and Jews, Protestants and Catholics, Bob Marley and J. S. Bach, the Psalms express the faith of a thousand generations. People have used psalms to voice their deepest anguish and delight, to comfort others, to express emotions they hardly dare to admit. In this book Kevin Adams shares stories of unlikely Psalm prayers and an unpredictable God, opening up the honest and earthy world of the Psalms in new and unexpected ways. And he invites us to find our own story within that community of faith. Reading this book you will find yourself underlining an especially poignant verse here or jotting notes in the margin there, as the psalms come alive through the stories of those who have used and abused them through the centuries.

“This is a delightful and funny adventure ... It is also lonely, dangerous and frightening.”—THE LONDON TIMES He survived a terrifying crocodile attack off Australia’s Queensland coast, blood poisoning in the middle of the Pacific, malaria in Indonesia and China, and acute mountain sickness in the Himalayas. He was hit by a car and left for dead with two broken legs in Colorado, and incarcerated for espionage on the Sudan-Egypt border. The first in a thrilling adventure trilogy, Dark Waters charts one of the longest, most gruelling, yet uplifting and at times irreverently funny journeys in history, circling the world using just the power of the human body, hailed by the London Sunday Times as “The last great first for circumnavigation.” But it was more than just a physical challenge. Prompted by what scientists have dubbed the “perfect storm” as the global population soars to 8.3 billion by 2030, adventurer Jason Lewis used The Expedition to reach out to thousands of schoolchildren, calling attention to our interconnectedness and shared responsibility of an inhabitable Earth for future generations. * * WINNER of the BENJAMIN FRANKLIN AWARD & ERIC HOFFER AWARD * * “Often funny and irreverent, always frank and authentic, Lewis’s first volume of The Expedition series is also marked by the thrills of a first-rate adventure.”—FOREWORD REVIEWS “Skating through Alabama with long hair, duct tape on the nipples, and women’s culottes ... What were you thinking?”—JAY LENO, The Tonight Show “A riveting true-life adventure as inspiring as it is thrilling.”—UTNE READER “An extraordinary expedition on an epic scale.”—BEN FOGLE, television presenter and adventurer “Last great first for circumnavigation.”—THE SUNDAY TIMES “Truly a tale for our time. You really smell, taste and breathe this journey in a way that is only possible by travelling more slowly.”—ROYAL SCOTTISH GEOGRAPHICAL SOCIETY

An urgent call-to-action in support of ending violence against the world's poor reveals how in addition to hunger and disease, impoverish populations have become increasingly subject to assault, forced labor and other physical abuses, outlining recommendations for implementing workable solutions and overcoming corruption.

"A successful entrepreneur and ministry leader calls men to band together and embrace a larger vision of Christian purpose. Presents biblical insights and stories aimed at living a meaningful life. Includes a small-group discussion guide"--Provided by publisher.

Are you ready for a new way to seek justice – an ancient way to know God? Finally, a practical guide on how to do justice and grow in discipleship —from those on the frontlines of the battle in the world’s darkest and most dangerous places. Jim Martin and International Justice Mission are experts not only at bringing rescue to victims of violence, sex trafficking, slavery, and oppression, but also, at bringing churches into the fight, through concrete steps that actually make a difference. Learn how to carry out one of the Bible’s core commands—to seek justice—in a way that amounts to more than mere words and good intentions. In the process, you’ll discover one of the most powerful tools to grow faith and deepen discipleship. In The Just Church, Martin shares tangible, accessible strategies to respond to God’s call to seek justice, defend the widow and orphan, and rescue the oppressed . . . whether in far-off places or right in your own community

While spiritual formation focuses on the inner life of the Christian, the missional church discussion focuses on one's life in the world. Nathan A. Finn and Keith S. Whitfield bring together leading evangelical voices to cast a new vision for a missional spirituality that fosters spiritual maturity while also fueling Christian evangelism, cultural engagement, and the pursuit of justice.

Where is God? How do we encounter God? How do we know it is God we encounter and not some figment of our imagination? Is it possible to know God in some sort of relational way? Richard Peace believes it is. But it requires a certain level of awareness, a certain discipline of the heart. Peace calls it the "spiritual discipline of noticing God." In this book he unpacks what it means to make a conscious practice noticing God in daily life. He explores the various ways people experience and recognize God's presence, including mystical encounters, ordinary daily life, within our hearts, through other people, through Scripture, nature and the church. Throughout he returns to the question of discernment, helping you understand how you can know that it is indeed God you are meeting in each of these places, not just some fanciful figment of the imagination. God is deeply present in our world, and you can actually encounter him. Here's how.
