~~'Monkey Mind,' by Daniel Smith—The New York Times~~

In Monkey Mind, Smith articulates what it is like to live with anxiety, defanging the disease with humor, traveling through its demonic layers, and evocatively expressing its self-destructive absurdities and painful internal coherence. With honesty and wit, he exposes anxiety as a pudgy, weak-willed wizard behind a curtain of dread and tames what has always seemed to him, and to the tens of millions of others who suffer from anxiety, a terrible affliction.
