Paper Cut offers a unique perspective into one of the most exciting fields of contemporary illustration. You'll discover amazing creations from thirty of the top papercraft illustrators from around the globe. Showcasing their astonishing works and discussing their creative processes, this collection of artists' words and works will awe and inspire you. Author Owen Gildersleeve - himself a recognised paper craftsman - explores why these artists love paper, how they use it and what makes their work so unique.

Tells the story of Hans Christian Andersen as an artist, and how he made paper cuttings while he was telling a fairy tale, then gave them to the children listening to him. Reprint.

There's a renaissance underway in the art form of cut paper, with an explosion of raw talent and an abundance of amazing work produced in the medium in recent years. This gorgeous volume features work

from 26 contemporary international artists who are creating images of astonishing intricacy, using little more than paper and blade. Featuring a host of new discoveries and including art by such stars as Nikki McClure, Rob Ryan, and Thomas Allen, as well as a number of emerging practitioners, Paper Cutting is sure to engage art buffs and indie crafters alike. An in-depth introduction by paper art expert Natalie Avella illuminates the rich history of the centuries-old form, and a whimsical preface by beloved artist Rob Ryan rounds out this delightful collection.

With dozens of beautiful, original designs and detailed explanations, this Chinese paper cutting book is a great reference for beginners. Paper cutting is a popular papercraft in today's multicultural world, embracing a great variety of themes, designs and images. In China, its birthplace, it is regarded as an elegant traditional folk art. Chinese paper cuts reflect many aspects of life, including prosperity, health and the harvest. Paper cuts are typically used to decorate walls, windows and doors, or as patterns for embroidery and lacquer work. Rich in cultural tradition, with a long history of over 1,500 years, Chinese paper cutting was listed as a UNESCO Intangible Cultural Heritage in 2009. Easy to learn, paper cutting only requires paper and scissors which can be used to create a wide range of interesting paper cut outs. Instruction and inspiration can be found in *The Beginner's Guide to Chinese Paper Cutting*. This Chinese crafts book introduces all the basic elements of Chinese paper cutting, including the necessary preparation, basic techniques, simple practices and appreciation. The book's clear directions and illustrations will allow anyone to explore the art of paper cutting and start making their own works of art.

Contains instructions for more than eighty two- and three-dimensional construction paper creations, including a Matisse cut-out, a hanging snake mobile, and a personal desk top robot

Lotte thinks the cinema is magic. But Lotte doesn't just want to watch the magic: she wants to make it. Before Walt Disney made history with *Snow White*, Lotte Reiniger created what is considered one of the first feature-length animated films: *The Adventures of Prince Achmed*. With the outset of World War II, Lotte had to leave her home in Germany, fleeing from place to place for years. But she never stopped creating. Through a love of fairy tales, a strong creative vision, and her uniquely expressive paper puppets, Lotte brought new possibilities to the world of film. Written in gorgeous lyrical prose, and illustrated with striking papercut illustrations that evoke Lotte's classic silhouette creations, this captivating picture book will introduce readers to the life and art of an unsung creative trailblazer.

This story is about two sisters, a walk in the snowy forest, and the appearance of an enchanted rabbit.

Gathers twelve stories that can be told through simple drawings of chickens, hippos, dinosaurs, and other subjects
