Still, it gives one a good impression of U-boat ace Teddy Suhren's character. I have always been impressed by how honorably the U-boat service acquitted itself during the war. Suhren seems to have been more outspoken than most commanders and offers some very amusing anecdotes of how this got him into trouble.

Pen and Sword Books: Teddy Suhren Ace of Aces - ePub

Teddy Suhren, *Ace of Aces*, is the
second book I read written by a
German soldier from WWII. It makes
you realize that like Americans, there
were German military who felt they
were doing their patriotic duty and
not necessarily were Nazis and/or
knew or supported the atrocities
committed by the German
government.
