'Different authors have written many books on the subject of the Shining Ones. Each account is contrary to the last, perhaps leaving a feeling of confusion amongst the general readership of so-called New Age books. I have been channeling the Shining Ones since 1988 and through a series of teachings I have pieced together this collection, which will explain exactly who the Shining Ones are and how they can help us on our journey through life.' #1 NEW YORK TIMES BESTSELLER • Before Doctor Sleep, there was The Shining, a classic of modern American horror from the undisputed master, Stephen King. Jack Torrance ’s new job at the Overlook Hotel is the perfect chance for a fresh start. As the off-season caretaker at the atmospheric old hotel, he ’ ll have plenty of time to spend reconnecting with his family and working on his writing. But as the harsh winter weather sets in, the idyllic location feels ever more remote . . . and more sinister. And the only one to notice the strange and terrible forces gathering around the Overlook is Danny Torrance, a uniquely gifted five-year-old.

The story of the mysterious, ancient priesthood with a mission to preserve their secret knowledge to help humanity - but also to control the development of the world.

The Shining Brother, first published more than 50 years ago, remains as fresh as ever thanks to it’s dynamic but gentle message. It includes many scripts and messages purporting to come from St. Francis of Assisi and communicated to Laurence Temple, a practicing architect. The simplicity of the communication bears the hallmark of authenticity which is enhanced by Temple’s own practicality and humility. He comments that 'I cannot read them without a sense stealing over me that I am in the presence of Holiness.' There is a quiet but insistent and very real authority inherent in the teachings. Furthermore the evidence is transmitted through several different channels, many of whom were unaware of what had gone before, yet the content and style of delivery remains consistently the same. St. Francis does not preach but explains that 'by the way of life, by the offering of self, by the light with which I shall endow thee... Thy father will manifest himself in thee.' The underlying theme is that esoteric knowledge is of secondary importance to the prime keynotes of love, service and humility.

Kelly, a beautiful, disillusioned girl working in a man’s job, flees Hollywood after her quick temper has cost her a job as a stagehand, as well as her relationship with her father. After being clobbered because she dares to stand up for herself in a man’s world, Kelly goes in search of a man that will make her feel like a woman, her Mr. Right. Her path is strewn with obstacles and uncertainties. There is in Kelly’s life, a list of men with whom, in some manner, she became involved. Father Hennesy, her minister, Noel DeLacey, sensitive young film maker, Jerry, the millionaire who mistook her for a hooker, Jack Slade, a bad guy, and finally Gary Hunnicutt, a young Montana cowboy, who qualifies in every way as her Mr. Right. If she can steal him from Billie Jean, the seductive young Texas rodeo queen?
