Tom's Daily Plan finally arrived. I am looking forward to giving it a good read. At first glance the book is made of good quality, the photography is wonderful, and having browsed some of the pages, it is well written. This book isn't your typical cookbook or fitness book, it is what I'd call an easement into the process of getting healthier.

Think of ways to include walking in your daily routine. Examples include: walking part of your journey to work; walking to the shops; using the stairs instead of the lift; leaving the car behind for short journeys; walking the kids to school; doing a regular walk with a friend; going for a stroll with family or friends after dinner

So what I ' ve done in this video is I ' ve broken down the scientific data, and from that I ' ve compiled what I would say is a very ideal female keto plan. So I ' ve taken the scientific data plus things that my wife does with her diet, and I ' ve put them all together and said, " Okay, this will be a great video to explain what the female ketogenic diet should look like. "
