When someone's actions cause some type of harm to another, whether it be physical harm to another person, or harm to someone's property or reputation, the harmed or injured person or entity may seek damages through the court.

**Tort Law—Definition, Examples, Cases, Processes**

Tort law is that branch of the law that deals with civil law, including law suits but excluding issues involving contracts. Tort law is considered to be a form of restorative justice since it seeks...

**Tort Law Definition—investopedia.com**

Tort law, in essence, establishes standards of conduct for all members of society. It defines as civil wrongs the following antisocial behaviors: (1) intentional interference with one's person, reputation, or property (intentional torts), (2) the failure to exercise reasonable care (negligence), and (3) in some circumstances, liability without fault (strict liability). In a nutshell, tort law is a method by which an injured person can attempt to shift the costs of harm to another person.

**Fundamentals of Tort Law—National Paralegal College**

GENERAL LAW OF TORTS. WHAT IS A TORT? A tort is an act or omission, other than a breach of contract, which gives rise to injury or harm to another, and amounts to a civil wrong for which courts impose liability. In other words, a wrong has been committed and the remedy is money damages to the person wronged.

**GENERAL LAW OF TORTS | Law 101: Fundamentals of the Law**

Understanding Tort Liability When a person or party has crossed the boundaries drawn by the tort law, he's not liable for the results caused by this breach of the law. For example, a person A steals the laptop of C, he will be considered liable to pay A back the money equal to the price of the laptop or the computer itself.

Medical malpractice is an enormous field of personal injury law. This presentation looks at the standards to which medical professionals are expected to adhere and how liability can attach when there are breaches of their responsibilities. It will look at the relevant standards of proof and we will also look at recent movements to limit medical malpractice damages as part of the tort reform idea.

**Tort Law: The Rules of Medical Malpractice**

In tort law, there are generally five areas in which transferred intent is applicable: battery, assault, false imprisonment, trespass to land, and trespass to chattels. Generally, any intent to cause any one of these five torts which results in the completion of any of the five tortious acts will be considered an intentional act, even if the actual target of the tort is one other than the intended target of the original tort.
