More than any other type of document, a software user guide is likely to go through multiple iterations before it is complete, and it is likely to go through a review process by multiple stakeholders. Using the Track Changes feature on Microsoft Word is an easy way to keep track of each individual's comments and changes.

Photoshop User Guide - Adobe Inc.

Ensure that the user manual can lie flat on a work surface when opened.

Consider the environment of use and if necessary provide a robust user manual.

Consider whether the user needs to hold the user manual and work at the same time. Provide durable covers and pages. Consider whether the user manual needs to resist water, oil, dirt, grease etc.
