Apple iPhone is appreciated worldwide for Its Style, Ease of Use, and High Technology Brand. Do You Used to “Think Different”? Explore New Flagships of Apple - iPhone12 and iPhone PRO - in a Detailed Review of All Peculiarities and Features of These Models! Did you know that with iPhone12 you get everything at once - software consistency and forethought, superior performance and long-term support? It's possible that Apple isn't perfect at absolutely everything. But none of the manufacturers offer the same customer service as this company and the same approach to customers. The Apple brand creates products that customers love. Its marketing has already become the standard for companies seeking global reach ? marketing built on simplicity. That is why, even for the followers of other brands, it will be interesting to know what determines Apple's success. Smartphone users argue about what is better ? iOS or Android. To make this choice for yourself, you need complete information: a book iPhone 12, iPhone PRO, and iPhone PRO Max User Guide by Simply your Guide will take you through the benefits of Apple's operating system in the brand's latest flagship. In this simple and detailed guide, you will: Explore what is the Big Difference – a groundwork of the Apple brand Know new features of innovative iOS14 - expanded functionality of the iPhone, new widgets, and other features Understand expediency of missing Home button – simplification and acceleration of control Master Apple Animoji – create own memoji and send cute emojis to everyone Get to know important tips and tricks - to enhance your enjoyment of using the new iPhone model And so much more valuable information and tips! Not everyone comprehend that Android is not a smartphone, but the platform that many modern smartphones use, and the iPhone is the very smartphone that uses the iOS platform. Both platforms are recognized by the audience, so let's try to gain insight into this issue. Why not explore these innovative products of famous brand with “iPhone 12, iPhone PRO, and iPhone PRO Max User Guide: The Complete Step by Step Manual to Master”? Scroll up, Click on “Buy Now with 1-Click”, and Grab a Copy Today!

"This book is a message from autistic people to their parents, friends, teachers, coworkers and doctors showing what life is like on the spectrum. It's also my love letter to autistic people. For too long, we have been forced to navigate a world where all the road signs are written in another language." With a reporter's eye and an insider's perspective, Eric Garcia shows what it's like to be autistic across America. Garcia began writing about autism because he was frustrated by the media's coverage of it; the myths that the disorder is caused by vaccines, the narrow portrayals of autistic people as white men working in Silicon Valley. His own life as an autistic person didn't look anything like that. He is Latino, a graduate of the University of North Carolina, and works as a journalist covering politics in Washington D.C. Garcia realized he needed to put into writing what so many autistic people have been saying for years; autism is a part of their identity, they don't need to be fixed. In We're Not Broken, Garcia uses his own life as a springboard to discuss the social and policy gaps that exist in supporting those on the spectrum. From education to healthcare, he explores how autistic people wrestle with systems that were not built with them in mind. At the same time, he shares the experiences of all types of autistic people, from those with higher support needs, to autistic people of color, to those in the LGBTQ+ community. In doing so, Garcia gives his community a platform to articulate their own needs, rather than having others speak for them, which has been the standard for far too long.

Modern cars are more computerized than ever. Infotainment and navigation systems, Wi-Fi, automatic software updates, and other innovations aim to make driving more convenient. But vehicle technologies haven't kept pace with today's more hostile security environment, leaving millions vulnerable to attack. The Car Hacker's Handbook will give you a deeper understanding of the computer systems and embedded software in modern vehicles. It begins by examining vulnerabilities and providing detailed explanations of communications over the CAN bus and between devices and systems. Then, once you have an understanding of a vehicle's communication network, you'll learn how to intercept data and perform specific hacks to track vehicles, unlock doors, glitch engines, flood communication, and more. With a focus on low-cost, open source hacking tools such as Metasploit, Wireshark, Kayak, can-utils, and ChipWhisperer, The Car Hacker's Handbook will show you how to: –Build an accurate threat model for your vehicle –Reverse engineer the CAN bus to fake engine signals –Exploit vulnerabilities in diagnostic and data-logging systems –Hack the ECU and other firmware and embedded systems –Feed exploits through infotainment and vehicle-to-vehicle communication systems –Override factory settings with performance-tuning techniques –Build physical and virtual test benches to try out exploits safely If you're curious about automotive security and have the urge to hack a two-ton computer, make The Car Hacker's Handbook your first stop.

Manual of Business Italian is the most comprehensive, single-volume reference handbook for students and professionals using Italian. Designed for all users, no matter what level of language skill, this manual comprises five parts: \* A 6000-word, two-way Glossary of the most useful business terms \* A 100-page Written Communications section giving models of 50 letters, faxes and documents \* An 80-page Spoken Situations section covering face-to-face and telephone situations \* A short Reference Grammar outlining the major grammar features of Italian \* A short Business Facts section covering essential information of the country or countries where Italian is used Written by an experienced native and non-native speaker team, this unique volume is an essential, one-stop reference for all students and professionals studying or working in business and management where Italian is used

Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June)

Enjoy more entertainment with this friendly user guide to making the most of Amazon Fire TV! Find and watch more of the shows you enjoy with Amazon Fire TV For Dummies. Understand the basics of how to use the device Explore an array of useful features and streaming opportunities Learn techniques to become a streaming pro Conquer the world of Fire TV with one easy-to-understand book. Soon you'll be discovering the latest popcorn-worthy shows.

The goal of the manual is to supply an operational tool for pedologists, agronomists, environmentalists, and all of the other specialists who carry out land evaluation for agriculture and forestry or, more generally, stakeholders and policy makers who make decisions at the local level based on the knowledge of the nature of soil. Discussion of the topics is not only technical and operational, but also in-depth and didactic; therefore, the text may also be used as a valid complement for students majoring in subjects that involve soil use, management and conservation. The literature offers a wide choice of possible soil and land evaluation methods, while knowledge of the relationships existing between the physical characteristics of lands, particularly those of soils, and the requirements of specific uses is limited.

Most Billiard instructional guides focus solely on the physical aspects of the game - the techniques, the shots, and the rules. Zen Pool teaches you all of these practical insights and skills, then goes one step further - showing you how to improve your total game by increasing your physical, mental, and spiritual awareness in the present moment. Many readers have described remarkable improvements after reading the lessons taught in this book - and many professional players have reported winning more tournaments. Zen Pool is your own private success coach: It will guide you to new levels of play and give you the knowledge you need to vastly improve your game. The wisdom and secrets herein have been distilled from a lifelong and fruit bearing quest, including study with, and of, many pool masters. So open Zen Pool, begin your journey, and let three-time national billiards champion Max Eberle awaken the master within you.
