## Winning Minds Secrets

With trust in business and political leaders at record lows, there's never been a better time for a fresh perspective on communication. Winning Minds is packed with insights into the effects of metaphors, stories, and sound bites on the brain. We know what the brain looks like on heroin. This book shows the brain on Branson, Obama, and Boris.

---

---

Winning minds : secrets from the language of leadership ...

The Winning Minds shows that the charm of language lies not only in the long-standing rhetorical techniques, but also in the brain cognition found in modern neuroscience. By grasping the relationship between brain and language, speech will become passionate and infectious. Simon Lancaster is one of the world's famous speech writers.
